MEALS ON WHEELS DRIVERS NEEDED IN EAGLE AREA

The Meals on Wheels Program needs volunteers to deliver meals to homebound elderly in the Eagle area this summer. Some of the program's regular drivers won't be available to drive their routes this summer, so the Meals On Wheels program is seeking replacement drivers for the months of June, July & August. One or more drivers are needed to deliver meals every Tuesday and every other Thursday. The route takes about two hours to complete. Call Cheryl Johnson at 327-8552 for more information.

The Meals On Wheels program delivers more than 500 meals every weekday in Ada County. Businesses are encouraged to participate in delivering meals through the "adopt a route" program. The meals can be dropped off directly at the place of business for employees to deliver over their lunch hour. Micron Technology, Blue Shield of Idaho and Boise Parks and Recreation are all 'adopt a route' businesses that encourage their employees to deliver Meals On Wheels.

For more information on the Meals On Wheels program and to sign up to become a volunteer driver, please contact Cheryl Johnson at 327-8552. Information on Meals On Wheels and other programs of the Central District Health Department is available online at www.cdhd.idaho.gov.
